Clay Guynn, DO

Orthopedic Sports Medicine
Physical Medicine and Rehabilitation

Target Audience: Orthopedics, Sports Medicine, General/Internal Med, Primary Care, ATCs, Physical Therapists

At the conclusion of this activity, participants should be better able to:

- Identify causes of radicular pain other than lumbar radiculopathy.
- Evaluate patients presenting with radicular pain to distinguish lumbar radiculopathy from alternative causes.
- Describe treatment options for radicular pain caused by conditions other than lumbar radiculopathy.

ACCREDITATION: Northside Hospital is accredited by the Medical Association of Georgia to provide continuing medical education for physicians. Northside Hospital designates this activity for a maximum of 1.0 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

To claim credit and/or to print a certificate you must complete the online CME evaluation. The link will be available following the presentation. Northside Hospital Orthopedics & Sports Medicine Specialists (BOC AP#: P10163) is approved by the Board of Certification, Inc. to provide continuing education to Athletic Trainers (ATs). This program is eligible for a maximum of (1) Category A hours/CEUs. ATs should claim only those hours actually spent in the educational program.
